## Online Bargain Hunting

**S**hopTheLook.net is an online superstore filled with hundreds of affordable, trend-driven accessories retailing under \$40. While we could spend hours paroozing through the well put together collections of jewels, sequins and pearls, the accessory experts at ShopTheLook literally do just that. Jet setting from London to Paris, Italy and Japan, then back to Los Angeles and New York, their team has been locating great fashions for over ten years now, turning runway looks into a reality.
