

## We're Loving the Peacock Trend! 10 Awesome Pieces

*The beautiful colors and feathers are popping up on tops, dresses, shoes and more.*

"Let me see your peacock, peacock!"

We're pretty sure **Katy Perry** was referring to something else in that song, but she could've very well been singing about the hottest style trend of the moment: peacock! The peacock feather and pattern has been sprouting up on everything, from clothing to jewelry to shoes and even swimwear. There's something about the bright, rainbow colors of the bird that make it a perfect summer style statement (as **Nicky Hilton** proves above).

Here, we pick 10 various items that really show the peacock off. Feel free to flaunt these all summer long:
