If you've seen the trailer for *Sex and the City 2*, you know the movie is about to redefine fashion as we know it...again. The clothes and the accessories are fabulous! Look at the **Jimmy Choo Idola cuff** (\$285, [jimmychoo.com](http://jimmychoo.com)) that Sarah Jessica Parker rocked while shooting a scene for the film.

As fans of Carrie Bradshaw and her wardrobe, we wanted this cuff immediately, but it's a bit pricey. Luckily, we've found some wallet-friendly options:

**Kettle Black Studded Buckle Bracelet** (\$120, [shopbop.com](http://shopbop.com))

**Aqua 4 Row Smooth Studded Bracelet** (\$28.80, [bloomingdales.com](http://bloomingdales.com))

**House of Harlow 1960 Gladiator Cuff in White** (\$63, [boutiquetoyou.com](http://boutiquetoyou.com))

**Zipper Bangle** (\$18, [lorishoes.com](http://lorishoes.com))

**Rock n' Roll Studd bracelet** (\$18, [shopthelook.net](http://shopthelook.net))

Wear any of these choices to the movie when it premieres on May 27, and we're sure all of your *Sex and the City*-loving girlfriends will approve.
