

## black & white

It's a surferie slenderizer, but head-to-toe black can seem severe, so lighten the look with white. Together, this high-contrast combo has a crisp coolness that's both sharp and striking—and still slimming.

## shirt-dress

This clean-lined classic makes a comeback, now in flatter fabrics and a slightly shorter length. Modernize it even more with a belt that's boldly colored (acid green, aqua) or dramatically detailed (studded, croc-embossed).
