

Wear a wide belt with your blazer to rein in flowy fabrics. Heeled oxfords echo the outfit's brown hues.

Accent your shape with a figure-hugging turtleneck and pencil skirt—belted, of course.

A sophisticated biker jacket and classic tailored trousers are an edgy suit alternative.

Try a cropped vest over a long jacket and shirt for an unexpected layer.

Leather, bracelets, and a pile of necklaces bring a dash of toughness to a ladylike dress.

Jeans, relaxed tops, and a roomy bag ensure you can run errands (stylishly!) with ease.

Ease into weekend brunch in motorcycle boots, a waffle-weave hoodie, and a breezy skirt.
