

# show stopppers

what's fashion without a little drama?  
here, three shows that changed  
new york fashion week forever.  
photographed by clarke tolton

guess, \$32

## imitation of christ

spring '01

**matt damhave and tara subkoff took over an east village funeral home, sending models—posing as mourners—down the aisle wearing shoulder-baring black lace frocks and cross necklaces.**

dress and belt by [chloé](#), top by [dKNY](#) (worn underneath), headband by [shopthelook.net](#), necklace by [michael spirito](#), bracelet by [chrisabana](#).
