Curioser and Curioser "Alice In Wonderland" Beauty and Style

With only two days remaining until the opening of [Tim Burton's big screen adaptation](#) of [Lewis Carroll's](#) classic [Alice's Adventures in Wonderland](#) tale, everyone isn't just ready to fall down the rabbit hole — they're itching to jump in it! If you've got white rabbits, hungry caterpillars, and mad hatters on the brain, you'll appreciate these pieces, which give a nod to these beloved characters and their loopy world. From necklaces and nail lacquers produced in a limited-run to coincide with the film's release to beauty goodies that will remind you of these iconic characters, here's a peek through our very own looking glass.

Alice Charmed Link Bib Necklace, \$15. Visit [ShoptheLook.net](#)

This silver-toned metal bib necklace, with its slightly interlocking loops and its whimsical rabbit, heart, and "A" charms, fuses together whimsical Wonderland motifs with a more hard-edged medieval armor-esque attitude.

Alice in Wonderland Card Suite Bangle, \$12. Visit [ShoptheLook.net](#)

To coincide with the blockbuster's release, costume jewelry site Shop The Look unveiled a small collection of affordable pieces inspired by the film without referencing specific characters in an overt manner. This particular bangle, for example, features black spades, red clovers, red hearts, and other playing card suits which, while in keeping with the Queen of Hearts' kingdom, also transcend it.
