

# HANDMADE ARTISTRY

Nashelle jewelry is handmade by artisans in Bend, Oregon. The natural origin of the designs, whether 14k gold fill or sterling silver sheet metal, are recycled and often accented with a unique colorful gemstone, piece of warm wood, white coral, or turquoise. Each piece exudes a special essence such as the Identity collection, which is hand-stamped and personalized for a one-of-a-kind keepsake. Wholesale prices range from 18.00-120.00.
