Dazzling Jewel-Tone Accessories

Adorn yourself with the colors of gemstones—for under \$50

By [Olivia Putnal](#) Posted September 01, 2010 from [WomansDay.com](#)

Stretch It Out

If you normally pass up bold bracelets because they never seem to fit right, you're in luck with this jeweled find. Not only is the sea green color stunning, the stretchy band makes it easy to slide on and off, fitting almost any size wrist.
