1. A fantasy piece at a reality price

Behold the bold bib necklace: At just \$26 from [shopthelook.net](#), it's the only piece you need this season to turn a simple dress — or even jeans and a T-shirt — into a more special look. This one not quite your style? The site has a huge variety of statement necklaces and bold cocktail rings that anywhere else would cost you an arm, a leg, and a few toes.
