Enjoy A Touch of Vintage Around Your Neck

by VIE on March 4, 2009 • 0 COMMENTS

I'm loving this [Rule Breaker](#) necklace because I think it looks both vintage and classy. I can imagine wearing a low cut shirt and having this gorgeous piece around my neck, that'd be really hot.

Made of gold metal, don't you think those charms are simply lovely? Good news is that you'd only need to pay US\$24 for this absolute beauty.
